Topic: Weekly report (7/1 - 7/7) – “mco” and “Rglpk” ready for merge

In the past week, I polished codes for “mco” and “Rglpk”. Also, I made pull request for “mco” and revised pull request of “Rglpk”.

This week, I will polish “osqp”, make pull request for “osqp” and do more test for these three engine. Before this weekend, I hope we can discuss the next steps and future plans.
